29th February 1912.

THE DEWAN,

Mysore State,

BANGALORE.

Respected Sir,

I beg most respectfully to approach your honour with the following few lines for favour of kind consideration and esteemed support.

The Jain Community of Bombay has started a DIRECTORY OF JAIN COMMUNITY ~~FOR~~ in INDIA, which is in full progress at present. I beg to state that I am Director for Deccan Circle, and as such, have travelled a large portion of Deccan with a view of procuring the Census of Jain ~~of~~ Population and of collecting information regarding ancient Jain inscriptions, and gathering the sacred Books of the Jains. With the completion of the said work in the Mysore State, my duty will be over.

While travelling over the Upper part of the Bombay Presidency, the Bombay Government Provencial Census Authorities were pleased to be of great assistance to me in my undertaking, of the description mentioned above. I had the opportunity of going to the Census Office and of taking down the Census figures showing the extent of Jain Population of each village, from Register A, at Poona and Dharwar.

In like manner, I requested the Chief Superintendent of Census, Mysore State, to render assistance to me

P.T.O.

just as the Bombay Government Census Officers did; and the Census Superintendent of the Mysore State kindly assisted me by supplying me with the ~~required~~ information mentioned in the Census Book under Section, viz., "PROVINCIAL TABLE II Population OF CITIES & TALUKS BY RELIGION AND EDUCATION".

But, Respected Sir, this information is only a common guide of the Mysore State to me and is, therefore, insufficient for my requirement. I personally visited the Chief Superintendent in Bangalore with a view to secure the required information regarding the Census of Jain Population of each village in each taluk of every District in the Myosre State; but I was not successful in fulfilling my desire. So, I most humbly approach your honour with the object of securing the same accurate Census of the Jain population, with your kind assistance. each village in my so...

I beg to hand you enclosed herewith the correspondence regular, I have had with the Provincial Superintendent, for favour of your perusal

I, ~~beg~~ finally, beg of your honour to be so good and generous as to assist me in this direction.

Soliciting the favour of your esteemed and early orders,

I have the honour to be,

Respected Sir,

Yuur most obedient servant,

J N Pangal

D. J. Director for Deccan
